Remarks:			
<i>for response. at long scale,</i> Jim: GC has hopes of putting this map, along with the similar map of China, and Africa out in an unclassified form. Steps in this direction have been taken, mostly planning, but there is nothing in active preparation. Unless a specific firm request is put on GC these maps will be a long time coming out. ONE and GL have both expressed a genuine interest but no one has asked for them by a certain date. SEP 1959 These maps would be of a much larger scale than now available.
